

E. No oil drilling, oil development operation, oil refining, quarrying or mining operations of any kind shall be permitted upon, or in any lot, nor shall oil wells, tanks, tunnels, mineral excavations or shafts be permitted upon or in any lot. No derrick or other structure designed for use in boring for oil or natural gas shall be erected, maintained or permitted upon any lot.

F. No trash, garbage or other refuse shall be dumped, stored or accumulated on any lot. Trash, garbage or other waste shall not be kept on any lot except in sanitary containers or garbage compactor units. Garbage containers, if any, shall be kept in a clean and sanitary condition, and shall be so placed or screened by shrubbery or other appropriate material approved in writing by the Committee as not to be visible from any road or waterway within sight distance from the lot at any time except during refuse collection. No outside burning of wood, leaves, trash, garbage or household refuse shall be permitted, except during the construction period.

G. No structure of a temporary character, or trailer, basement, tent or shack shall be used at any time as a residence, either temporarily or permanently. There shall be no occupancy of any dwelling until the interior and exterior of the dwelling is complete.

H. No fence, wall, hedge or shrub planting which obstructs sight lines at elevations between 2 and 6 feet above the roadways shall be placed or permitted to remain on any corner lot within the triangular area formed by the street property lines and a line connecting them at points 25 feet from the intersection of the street lines or in the case of a rounded property corner, from the intersections of the street property lines extended. The same sight line limitations shall apply on any lot within 10 feet from the intersection of a street property line with the edge of a driveway or alley pavement. Trees shall be permitted to remain within such distances of such intersections provided the foliage line is maintained at sufficient height to prevent obstruction of such sight lines.

I. No sign of any kind shall be displayed to the public view on any lot except one professional sign of not more than two (2) square feet, one sign of not more than six (6) square feet advertising property for sale or rent, or signs used by a builder to advertise the property during the construction and sales period. All signs shall comply with design specifications of the Architectural Control Committee. No signs shall be nailed to trees. These provisions shall not apply to the undersigned or their assigns during the sales period.

J. During all construction, all vehicles, including those delivering supplies, must enter the building lot on the driveway only as approved by the undersigned so as not to unnecessarily damage trees, street paving and curbs. Any damage not repaired by the contractor will be repaired by the undersigned (after 10 days written notice) and will be charged to the contractor (or Owner) at a reasonable cost for such services, which charge shall constitute a lien upon such lot enforceable by appropriate proceedings at law or equity. During construction, all builders must keep the homes, garages and building sites clean. All building debris, stumps, trees, etc., must be removed from each building lot by the builder as often as necessary to keep the house and lot attractive. Such debris will not be dumped in any area of the subdivision.

K. When the construction on any building is once begun, work thereon must be prosecuted diligently and continuously and must be completed within nine (9) months.
