WHY PAYING IS IMPORTANT

Paying your annual dues has a direct impact on the financial investment in your home and our community. By funding the Yellowleaf Homeowner Association to keep it active and involved for our common good, you are helping to protect an estimated $5 - 6 million in neighborhood value - and your own home value, too!

WHERE DOES THE MONEY GO?

It covers the basic necessities, like neighborhood lighting and common area landscape maintenance – please see the website "Treasurer's Report" page. Separate from regular HOA funding via annual dues, we are very proud of the first year efforts to bring our new neighborhood park into reality – all because of your support via special fundraising efforts: *Thank You For Your Generosity!* The park project enhances the Yellowleaf neighborhood as a desirable place to live, providing a beautiful 14-acre area in which to engage in healthy lifestyles and renewing one's spirit – plus our children really love it!
